A TESTIMONIAL

Dear Ms. Lois and Stacie,

I wanted to express my gratitude for the excellent home buying course you all offered August 1 and August 8th, 2020. Below is a testimonial that you are welcome to use. I also filled out the survey. Thank you for the work you do!

My partner and I are new to the central Ohio area and first-time home buyers. Class facilitators and counselors, Lois and Stacie, along with the incredible speakers they organized, demystified the home buying process and empowered us to feel more confident in the ability to both advocate for ourselves and understand what we can afford.

*Out of all the research we did prior to taking this course, Home Buyer Education and the one-on-one counseling session by Stacie were by far the most useful. They also helped us assemble a team we trust. The care, respect, and advocacy Stacie and Lois showed us (and all class participants) was excellent. I would recommend this course and these instructions to anyone looking to buy a home in the Central Ohio Area. **Their expertise was invaluable. Thank you!***

Ms. Lois and Ms. Gloria gave me the confidence and community connection I so deeply needed to make the dream of having my own home and independent financial stability; something real and achievable again and I will forever be grateful.

After attending your classes a few times, I have been pre-approved and made an offer so I'm currently in the underwriting process. I qualify for the down payment assistance grant and the MCT, which I would not have known about without your help!
